ABOUT US:

Over the years, the name of ROYAL ACADEMY has become synonymous with success in IITJEE. & NEET. Our goal at ROYAL ACADEMY is to provide knowledge and guidance and thereby create an environment that not only guides students to the path of success, but also inspires them to recognize and explore their own potential.

All Courses are based on the time tested teaching methodology which has been perfected by ROYAL ACADEMY and which has produced unmatched results in JEE / NEET.

From foundation to advanced courses, at ROYAL ACADEMY there are learning modules meticulously crafted for every student's learning needs. To recognize and reward the passionate and talented students across the State, ROYAL ACADEMY offers various scholarship tests. Through these scholarship tests students can secure a scholarship up to 100% and get admission in a course of their choice to kick-start their journey.

JEE REPEATER COURSE HIGHLIGHTS

- JEE (Main & Advanced) Focused
- Highly Qualified, Experienced and Well-trained Faculty
- Discussion Sessions on Important & Tricky Topics
- Regular Tests & Assessments with Error Analysis
- Personalised Attention
- Doubt Clearance Sessions
- Disciplined & Competitive Environment
- Scientifically Designed Study Material

TAKE THE JEE REPEATER COURSE IF YOU

- Appeared in JEE but did not
- Qualified JEE but did not get admission in the college of your choice.
- Did not get your expected rank.
- Did not even once appear in JEE and now wish to prepare for JEE

WHY JEE REPEATER COURSE?

- Better performance at JEE Mains and JEE Advanced improves chances of admission in IITs/NITs.
- 47% of freshers prefer to make another attempt at JEE to take admission in a better engineering college.
- Better awareness of exam pattern and the ability to handle the pressure of D-Day provides an edge over the freshers.
- One can focus on JEE alone, without any compulsion of maintaining school attendance and stress of class 12th.

ROYAL ENGINEERING FOR CLASS 11 & 12 STUDYING & CLASS 12 APPEARED

- Two-Year Integrated Classroom/Hybrid Course for JEE - Main & Advanced (For Class 10th Studying Students moving to Class 11th)
- One-Year Integrated Classroom/Hybrid Course for JEE Main & Advanced (For Class 11th Studying Students moving to Class 12th)
- Power Step Integrated Classroom/Hybrid Course for JEE Main & Advanced (For Class 12th Studying Appearing Students)
- Power Step Integrated Classroom/Hybrid Course for JEE Main & Advanced (For Class 12th Passed Students)

NEET

NEET REPEATER COURSE HIGHLIGHTS

- NEET Focused Preparation
- Highly Qualified, Experienced and Well-trained Faculty
- Regular Tests & Assessments with Error Analysis
- Performance Evaluation & Exhaustive Revisions
- Personalised Attention
- Scientifically Designed Study Material
- NEET Challenger APP
- Doubt Clearing Sessions

TAKE THE NEET REPEATER COURSE IF YOU

- Have passed Class 12th and have already appeared in NEET but did not qualify
- Qualified NEET but did not get admission in the college of their choice due to low score
- Did not get your expected rank
- Haven't attempted NEET even once due to Class 12th Board exam, and wish to have an exclusive preparation for NEET for a year.

WHY NEET REPEATER COURSE?

- Better performance at NEET improves chances of admission in top medical colleges
 - Better awareness of exam pattern and the ability to handle the pressure of the exam day provides an edge over the freshers
 - One can focus on NEET alone, without any compulsion of maintaining school attendance and stress of class 12th
- Repeater students have performed extraordinarily well in NEET exam in previous
